MISSION
For more than 50 years, the Marine Corps Scholarship Foundation has Honored Marines by Educating Their Children. As a privately-funded, 501(c)(3) non-profit organization, the Scholarship Foundation provides need-based scholarships for post-high school education to sons and daughters of Marines, with particular attention given to children whose parent has been killed or wounded in action, or who have demonstrated financial need.

2013-2014 ACADEMIC YEAR - STUDENT POPULATION
The Scholarship Foundation has funded more than 30,000 scholarships valued at over $80,000,000 since its inception in 1962. For the 2013-2014 academic year, more than $6,600,000 has been awarded to 2,040 students.

GENDER
Our student population includes 1,244 female students representing 61% of our total student population, and 795 male students representing 39%. This data is consistent with the national average, as indicated by the National Center for Education Statistics, which reports the national average of female student population, and 32% of male students.

2013-2014 Student Majors
Additionally, 91% of our scholarship participants are attending a 4-year college or university, 8% are attending a 2-year academic institution, and 1% are attending vocational/technical certificate programs. Of those students attending a college or university, 52% are first-generation college students. Our applicants are studying a variety of subjects with 45% of them majoring in science, technology, engineering, and mathematics (STEM).
