Happy Anniversary and Thank You!

For 50 years, the Marine Corps Scholarship Foundation, the oldest and largest need-based scholarship provider to military children, has Honored Marines by Educating Their Children. The following pages of this 2012 Yearbook and Annual Report tell the stories of the Marines and their hardworking children we help every day, along with the nationwide network of volunteers and donors who help their dreams come true. We are pleased to report that in the past 50 years, we’ve awarded more than 27,000 scholarships totaling $67,000,000.

Through this Yearbook, we thank those who make these achievements possible and, in particular, we herald the tremendous accomplishments of our students. This year, we awarded 1,636 scholarships to the children of Marines and Navy Corpsmen — more students than ever before, for a record $4,900,000. We’re proud to introduce you to many of them in the following pages as well as to many of those who made it possible.

Our scholarship recipients come from across the country and have diverse backgrounds, interests, and goals. Many of them have attended several schools, endured their parents’ multiple deployments, and taken in stride the challenges of being a part of a military family during wartime. Some have parents who paid the ultimate sacrifice or came home with serious wounds.

Marine families are a secure investment. With their perseverance and dedication, our students embody Marine Corps values of honor, courage, and commitment. And they perform; while the national graduation rate is only 31% in six years, an impressive 79% of Scholarship Foundation recipients graduate with their bachelor’s degree.

As we look to the future, one thing is clear: the need is now greater than it’s ever been. As the average cost of a public four-year college education reaches close to $20,000 a year, and the effects of a long war with multiple deployments take their toll, we’re receiving hundreds more applications each year. With the help and support of our dedicated volunteers, investors, and new friends throughout the country, we will continue to meet the increasing need of our Marine families for generations to come. Thank you for joining us on this successful journey, and Semper Fidelis,

General William L. “Spider” Nyland USMC (Ret.)
Chairman

The impact of this work extends beyond helping military families—it strengthens our nation, its workforce, and its future.

A MESSAGE FROM THE COMMANDANT OF THE MARINE CORPS

This year marks the golden anniversary of the Marine Corps Scholarship Foundation. Since 1962, the Scholarship Foundation has demonstrated exceptional fidelity to Marine families through steadfast financial assistance for the college education of their deserving children. For many Marines and Sailors—both active and reserve—these funds ease some of the burden associated with raising a military family, especially now during these difficult economic times. Through diligent efforts, the Scholarship Foundation continues to honor Marines and Sailors with a lasting and beneficial impact on their family’s future.

Over the past five decades, the demands placed on our Nation’s military have continued to increase—particularly those required of our Marines. Many families now endure multiple combat deployments and frequent moves to duty stations, both at home and abroad, before their children reach college age. Year after year, by recruiting more volunteers, raising more funds and awarding more scholarships, the Scholarship Foundation has grown in equal step to meet the increasing need of our military families. The impact of this work extends beyond helping the military community—it strengthens our Nation, its workforce and its future.

On behalf of all Marines and Navy Corpsmen, past and present, I salute and thank the countless individuals associated with the Marine Corps Scholarship Foundation who have honored the Corps for half a century by assisting in the education of our children. This year marks a true milestone in your organization’s service to those who serve in uniform. Your patriotism, generosity and support are both humbling and inspirational.

Semper Fidelis,

JAMES F. AMOS
General, U.S. Marine Corps
Our Mission
The Marine Corps Scholarship Foundation is the nation’s oldest and largest provider of need-based scholarships to children of Marines and Navy Corpsmen, with particular attention given to those whose parent has been killed or wounded in combat, or who have demonstrated financial need.

A History of Honor, Courage, and Commitment
In 1962, Brigadier General Martin F. “Rocky” Rockmore USMC (Ret.) read a newspaper article about a Medal of Honor recipient who could not afford to send his child to college. Inspired to honor this Marine, General Rockmore courageously decided that a charity event was in order. The proceeds would be used to help Marine families fund college educations for their children.

Some months later, the first annual Leatherneck Ball was held in New York. The $1,500 raised was awarded as the Scholarship Foundation’s first scholarship.

Fifty years later, the Marine Corps Scholarship Foundation has awarded more than 27,000 scholarships valued at over $67,000,000. We celebrate and appreciate the commitment, goodwill, and generosity of all who make Honoring Marines by Educating Their Children possible.
“The help that the Marine Corps Scholarship Foundation has given me only strengthens my belief that Marines really do look after each other.”

Veteran Marine Thomas O. Jefferson II was an infantry squad leader and a tank commander. He is pictured with his son, Thomas III, and wife, Lisa.
In the stately grand hall of the Library of Congress on September 13, 2011, the Scholarship Foundation awarded nearly $5,000,000 in scholarships to 1,636 students for the 2011-2012 academic year.

General James F. Amos, Commandant of the Marine Corps; Micheal Barrett, Sergeant Major of the Marine Corps; and Department of Education Deputy Secretary Anthony Miller joined Scholarship Foundation President Margaret Davis, Directors, students, and parents at the celebration.

Alison Spann, a sophomore at Pepperdine University, was recognized as a Heroes Tribute Scholarship recipient. The Heroes Tribute Scholarship awards up to $30,000 to the sons and daughters of Marines killed in combat since 9/11. Alison’s father, Marine veteran Captain Johnny Micheal Spann, was the first American casualty after the September 11, 2001 attacks.

During the evening, representatives of Col Charles Waterhouse’s family unveiled an original Waterhouse painting of recent Medal of Honor Recipient, Sgt Dakota Meyer USMC. The portrait, “In the Zone,” depicts Sgt Meyer’s heroism and represents the final artistic creation in Col Waterhouse’s much noted Medal of Honor series. Col Waterhouse established an endowed scholarship with the Scholarship Foundation in 2011.

Sergeant Major Barrett shared congratulations with Virginia Military Institute cadet, and scholarship recipient, Fredrick Walker and his mother, Shebbie Farmer, a veteran Marine.

Scholarship recipient Douglas Hunter III and his parents, Margaret and Douglas II, enjoy the reception.

Before the award ceremony, scholarship recipients Rishana Richardson, Tatiana Pile, Hunter Manspile, and Alison Spann shared camaraderie.

Scholarship recipient Ashleigh Kuney, a freshman at Virginia Commonwealth University, plans to pursue a bachelor's in pediatric nursing. She attended the Scholarship Announcement Ceremony with her parents. Her father, Staff Sergeant Brian Kuney, has served 18 years in the Marine Corps.

“Receiving this scholarship means so much to me. I want to greatly thank you for giving me the opportunity to receive this scholarship that will help to further my education and mold my future. I know not many people are given the opportunity I have been given, and I am extremely thankful for that.”
Since our inception 50 years ago, the Marine Corps Scholarship Foundation has been driven by one unifying mission: to offer opportunities for higher education to the children of our nation’s heroes.

To help ease the burdens placed on today’s Marine Corps families, the Marine Corps Scholarship Foundation launched the **American Patriots Campaign** in 2007. Through the generosity of many, we have successfully achieved our expanded Phase I goal of the campaign, raising $60,000,000. The continued rise in educational costs, coupled with the increasing number of Marine children in need, demands that we continue to support our Marine families. Our goal is to raise funds to provide further educational opportunities for the sons and daughters of the Marines who serve our nation today and in future years.

The American Patriots Campaign is receiving outstanding support from across our nation. Through the charitable investment of many, the Marine Corps Scholarship Foundation will launch **Phase II of the American Patriots Campaign** later this year. Our mission and goal is to help ensure that the children of our nation’s Marines will have the opportunity of higher education to help strengthen their lives and all of America.
Joining our campaign is a Cabinet comprised of distinguished corporate executives, leaders from the worlds of entertainment and sports, members of Congress, and former Commandants of the Marine Corps. These individuals stand steadfast in their efforts to Honor Marines by Educating Their Children.

Always Faithful — Our Support of Wounded Marines and Their Children

War leaves deep wounds — both seen and unseen. We provide special consideration for children of the wounded — from all conflicts — who aspire to attend college. More than 13,000 wounded Marines are coming out of the wars of the last 10 years — 90,000 since the beginning of the Vietnam War. They are forever changed by their experiences, and thousands of them face significant, long-term challenges, which can be overwhelming to the entire family.

All Marines worry about their children’s futures and how to provide for them — especially wounded Marines and Fleet Marine Force Navy Corpsmen who have been dramatically affected by their wartime sacrifices. These families deserve our generous support and steadfast faithfulness. Their children deserve the future that their parents sacrificed for each of us. These children often seek a college degree both to honor their parent as well as to secure a financial future for their family.

In response to the urgent and vast situation, the Marine Corps Scholarship Foundation established the Heroes Tribute Scholarship Program for Children of the Wounded — an extension of our existing Heroes Tribute Scholarship Program for Children of the Fallen. Immediately, numerous investors stepped forward to support the children of wounded Marines the fund will benefit.

Lead donors to this effort already include:

- The Dakota Meyer Scholarship Initiative and Challenge to America
- Lockheed Martin Corporation
- Chuck Scianna and Family
- Chicago Dinner for Marine Children of the Gravely Wounded
- Craig Duchossois
- Anonymous

Our students from families with wounded Marines are extremely grateful for such compassionate investments in their future and in their families’ futures. We invite your support of this critical initiative to assist the hundreds of students currently of college age and the thousands eager to attend in the future.

In announcing the Lockheed Martin program for the severely wounded of all wars, Bob Stevens, Chairman, President, and CEO, said, “We owe an enormous debt of gratitude to the servicemen and servicewomen who have sacrificed so much to protect our nation. We are honored to partner with the Marine Corps Scholarship Foundation to help give the children of our severely wounded Marines the opportunity to go to college.”
“With your help, a college education has gone from being a dream to a real opportunity.”

“I will be the first person in my immediate family to graduate college. I am very blessed that there are people in the world willing to help others who are in need.”

Medal of Honor recipient Sergeant Dakota Meyer encouraged the students never to give up on their goals or dreams, even in the face of great challenges.
During the Scholarship Foundation’s annual Scholarship Announcement Ceremony, Medal of Honor recipient Sergeant Dakota Meyer launched the Dakota Meyer Scholarship Initiative, which will provide scholarships to assist children of wounded Marines pursuing higher education at accredited vocational schools, technical institutes, colleges, and universities. Sergeant Meyer announced his commitment to raise $1,000,000 by the Foundation’s 50th anniversary on May 28, 2012. He also issued a “Challenge to America” to match his efforts and contribute $1,000,000, culminating in a total of $2,000,000 in new dollars toward scholarships.

“By accepting this challenge, you can forever change the life of a Marine family.”

“You have really changed my life in a way that will never be forgotten.”

Jasmine R. Dixon
Senior, Psychology
Old Dominion University

Jasmine’s father is veteran Marine Cpl Kenneth Dixon.
This year, the Scholarship Foundation awarded a record 1,636 scholarships.

The Scholarship Foundation’s 2011-2012 scholarship recipients are comprised of families that are active duty, honorably discharged, wounded in combat, and killed in service. Our students are from all 50 states, Washington, D.C., the U.S. Virgin Islands, and overseas bases.

46% of our scholarship recipients will be the first in their family to receive a bachelor’s degree.
In 2010, the average annual cost of a degree from a public four-year university was $16,150. Compare that to the average family income of our scholarship recipients, which is $49,000. As a result, the Scholarship Foundation has experienced a 45% increase in applications since 2006. Our recipients are studying in a variety of areas, with almost 40% of them majoring in science, technology, engineering, and mathematics (STEM).

91% of our students attend a four-year college or university.

* College Board.
The Scholarship Foundation is pleased to celebrate and introduce you to our 2011-2012 scholarship recipients.

Our 2011 Events Raised Nearly $8,000,000

Working to support the efforts of the Scholarship Foundation are hundreds of volunteers and event committee leaders, whose support is critical to the Foundation’s success. Our event leaders and volunteers support golf tournaments, galas, and fundraising events that allow Americans from all walks of life and communities to participate in our efforts to Honor Marines by Educating Their Children. These events fund our scholarships and provide our students with a community of support and encouragement.

Thank you to our more than 500 volunteers and event leaders who embody the Marine Corps values of honor, courage, and commitment. We appreciate and acknowledge the work of our volunteers and their service in support of our mission to ensure that Marine sons and daughters are able to pursue educational opportunities.
“Selflessly and with passion, our volunteer chapter members give thousands of hours to make a difference in the lives of deserving children of Marines. Their Marine parents have given so much to our country and now it is time for us to give back. We have witnessed this fundraising make a difference in a scholarship recipient’s life and education.”

Remembering the Fallen
Honoring Gold Star Families

In celebration of the 2011 Marine Week in St. Louis, MO, June 20-26, the Scholarship Foundation held a breakfast honoring Gold Star Families and their Marines from the St. Louis area who gave their lives in service to our country.

We proudly paid tribute to the following fallen heroes:

★ Corporal Michael C. Bailey USMC, Park Hills, MO
★ Corporal Riley Baker USMC, Pacific, MO
★ Lance Corporal Matthew Clark USMC, St. Louis, MO
★ Corporal Donald Marler USMC, St. Louis, MO
★ Lance Corporal Matthew Pathenos USMC, Ballwin, MO
★ Lance Corporal Phillip Vinnedge USMC, St. Charles, MO
★ First Lieutenant John N. Wilt USMC, O’Fallon, IL
★ Private First Class Michael Patton USMC, Fenton, MD

During the program, General Joseph F. Dunford, Jr. USMC, Assistant Commandant of the Marine Corps, and Mrs. Karen Kelly, mother of fallen Marine First Lieutenant Robert Kelly USMC, addressed the attendees, who included Congressman Todd Akin, Mayor Francis Slay, and members of the Breakfast’s Host Committee. To commemorate the heroic Marines honored at the
event, The St. Louis Fallen Marines Memorial Scholarship was also announced, a $250,000 endowment funded by members of the St. Louis community. This scholarship will be awarded annually to the son or daughter of a Marine from the St. Louis area as they pursue their dreams of attending college.

Lexy Polich of St. Charles, MO, the recipient of this scholarship for the 2011-2012 academic year, joined the Gold Star Families and generous contributors to the Scholarship Foundation to share her appreciation. Lexy, who is studying history at Lindenwood University, remarked, “I can never express my gratitude enough towards the families who have endured the hardships of being away from a loved one throughout a deployment and to the many who have lost someone in the line of duty. I am so proud to be the daughter of a Marine and I feel that the values of the Marine Corps will remain with me for the rest of my life. Without the Gold Star families and the many people who have supported the Marine Corps Scholarship Foundation, I would not be where I am today.”

“The Marine Corps, as well as the recipients of the scholarship funds in years to come, will never forget those who have fought and died to protect the United States, or the families who carry their memories in their hearts. The spark of those brave lives will burn on forever.”

★ Major General Anthony Jackson USMC, Closing Ceremony, Marine Week 2011
“I joined the National Guard at 17 years old so that I could have an opportunity to go to college.”
