THE BEST WAY TO HONOR THE MARINE FAMILIES WHO HAVE SERVED OUR COUNTRY

60 years. Over 50,000 scholarships. We will leave no eligible student of a Marine family behind.

We've been *Honoring Marines by Educating their Children™* for more than half a century.

Founded in 1962, the Marine Corps Scholarship Foundation provides access to affordable education for the children of Marines and Navy Corpsmen attending post-high school, under-graduate and career technical education programs.

In that time we've awarded over **50,000** scholarships valued at **\$185 million**.

2.6K

scholarships helped change the lives of Marine families this year

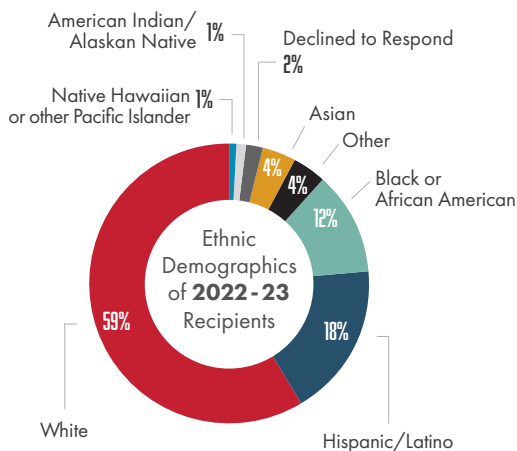

10M

in scholarship support was awarded to Marine families this year

185M

value of scholarships awarded over the past 60 years

How our Scholarship Recipients Compare Nationally

We closely track our demographics to ensure they mirror the population we serve. Our need-based scholarship program is intentionally structured to reach students who have **the most need**, not access to the most opportunity.

91%

of our scholarship recipients graduate compared to 56% nationally

3.43

average GPA for our scholars, compared to 3.15 nationally

50%

of our scholarship recipients graduate with little to NO debt compared to less than 30% nationally

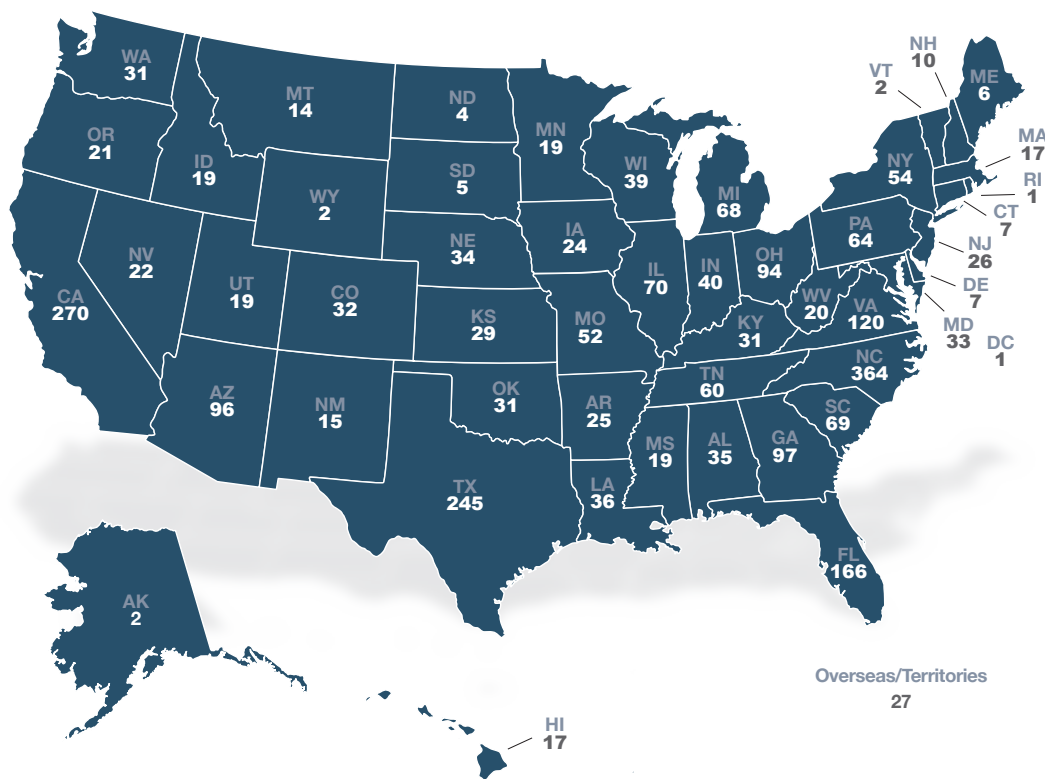

100%

of eligible applicants receive scholarship support

Nationwide Representation, 2022-2023 Academic Year

Scholarship Recipient Highlights

NINA CHAMBLISS

Rochester Institute of Technology
Class of 2023
Civil Engineering
Daughter of Staff Sergeant
Ezra O. Chambliss USMC (Ret.)

OVER THE PAST FOUR YEARS, NINA HAS IMMERSSED HERSELF in the college experience. She has mentored others through working as a Resident Assistant and expanded her horizons by joining the multicultural organization, Sigma Psi Zeta.

Soon, Nina hopes to make a difference by building infrastructure to improve the environment.

She said, *“Knowing that there is an organization that believes in me and has hope that I can make a difference shows me that anything is possible. It also motivates me to achieve my goals in life and strive to be the best person I can be.”*

COLE GARCIA

University of Illinois Urbana-Champaign
Class of 2023
Molecular Cellular Biology
Son of veteran Corporal
Christopher M. Garcia USMC

INSPIRED BY HIS FATHER’S SERVICE, IN THE MILITARY AND as a police officer, Cole is pursuing a career as an orthopedic trauma surgeon.

He said, *“Thanks to the continued support I have received from the Marine Corps Scholarship Foundation, I am working my way toward a career providing medical care for service men and women. I can’t think of patients who are more deserving to receive the best care possible and I hope to be a part of that one day.”*

Cole volunteers at the local hospital and has recently completed the MCAT exam in preparation for applying to medical schools.
